

MONARCH WATER

SPECIFICATION ANNOUNCEMENT

Reference Monarch Ultimate water softener salt codes:

MTS25, MGS25 & MTS5

We keep telling our customers that Monarch Ultimate water softener salt is the best!

We are very pleased to inform you that Monarch alongside Ineos are the only two UK suppliers of water softener salt that complies with the European Chemicals Agency EU: 528/2012 biocidal test criteria.

EUROPEAN CHEMICALS AGENCY
BIOCIDAL PRODUCTS REGISTRATION – EU 528/2012 – product types TP1-TP5
inc in accordance with Article 95(1).

Monarch and Ineos (manufacturers of Hydrossoft) are the only UK salt suppliers that have complied with the updated European biocide legislation EU: 528/2012. This legislation states that only registered suppliers are able to claim their salt is bacteriostatic for use in chlorination units within swimming pool electrolysis activators, but of equal importance confirms their salt's unique high level bacteriostatic specification for use within all water softeners also.

Approvals:

BS: EN 973 Class A – UK Food Grade Approval

HR Approval No: 24.00024/A – European Food Grade Approval

EU: 528/2012 – European Biocidal Products Registration

'Monarch – Suppliers to H.M. the Queens Estate at Sandringham'
